Dear Mr. Sandys

I remember your talking about flying saucers when we were at Chequers some time ago. I enclose an article from the "Air Ministry Secret Intelligence Summary" which may be of interest to you though I doubt whether there is anything in it which you do not know already.

AIR MINISTRY, 4
WHITEHALL,
S.W.1.

PRIME MINISTER

The various reports about unidentified flying objects, described by the Press as "flying saucers", were the subject of a full Intelligence study in 1951. The conclusions reached (based upon William of Occam's Razor) were that all the incidents reported could be explained by one or other of the following causes:-

- (a) Known astronomical or meteorological phenomena
- (b) Mistaken identification of conventional aircraft, balloons, birds, etc.
- (c) Optical illusions and psychological delusions
- (d) Deliberate hoaxes.

2. The Americans, who carried out a similar investigation in 1948/9, reached a similar conclusion.

3. Nothing has happened since 1951 to make the Air Staff change their opinion, and, to judge from recent Press statements, the same is true in America.

4. I am sending a copy of this to Lord Cherwell.
