

UFO Report 1999

| Date | Time | Town / Village | County | Occupation of reporter (where known) | Brief Description of sighting |
|-----------|-------|-------------------------|-----------------|--------------------------------------|--|
| 04-Jan-99 | 18:30 | Folkestone | Kent | | Squashed oval shaped object. Did not have the usual aircraft lights on it. |
| 04-Jan-99 | 06:45 | Bournemouth | Dorset | | One disc shaped object, no indication of size. There were two bright, blue flashing lights on it. |
| 07-Jan-99 | 18:30 | Glanarfon | Wales | | One flat, triangular object, (like a shield), white in colour. Coloured lights mainly round the edge of the craft. Spotlight beneath. |
| 09-Jan-99 | 22:00 | Bolton | Lancashire | | One main object, blue, red and white. |
| 09-Jan-99 | 02:00 | The Rhondda | Mid Glamorgan | | One large oval, with a sphere in the middle. Had bright blue, green and white lights on top of the craft. There was a humming noise. |
| 09-Jan-99 | 01:20 | Dukinfield | Cheshire | | One or two round, star sized objects were seen. They were multi coloured. |
| 09-Jan-99 | 21:37 | Dunbar | East Lothian | | One light, with red, green and yellow alternating lights on it. |
| 09-Jan-99 | 21:46 | Kennoway | Fife | | One sphere, that was alternating in colours - red, white, green and blue. |
| 10-Jan-99 | 01:30 | Llanelli | Dyfed | | One object, a pinprick of light changing colour between red, green and orange. |
| 10-Jan-99 | 10:07 | Hednesford | Staffordshire | | Like a bright star, with red, green and blue lights flashing in it. Hovering silently. |
| 10-Jan-99 | 21:54 | West Kilbride | Ayrshire | | Bright multi coloured light in the sky. |
| 11-Jan-99 | 01:30 | Ballater | Aberdeenshire | | Two objects, four times larger than the largest star and round like a glitter ball. They had blue, red and green lights on them. |
| 11-Jan-99 | 01:15 | Holyhead | Merseyside | | Bright light, larger than a star, changing colours, from white to orange, blue and green and back again. Appeared to be moving slowly. |
| 12-Jan-99 | 09:15 | Cambuslang | Lanarkshire | | Bright light, like a star. |
| 12-Jan-99 | 05:55 | Shoreham-by-Sea | West Sussex | | Two objects, oval shaped and bright white. Then later, another two objects that looked the same, appeared. |
| 17-Jan-99 | 06:20 | Hanworth | Middlesex | | Flashes of light came through the bedroom window. A bright star-like object was then seen outside. |
| 21-Jan-99 | 20:45 | Corwen | Denbighshire | | Flying saucer shape, with three square like windows, like a house. Was light - got lighter, then dimmed. Slightly tilted. |
| 21-Jan-99 | 21:00 | Harleston | London | | One large, L - shaped object. Was very bright. |
| 22-Jan-99 | 00:30 | Shrewsbury | Shropshire | | White light with shimmering green and red lights. |
| 26-Jan-99 | | Henbury/Bristol | Somerset | | Bright orange light. |
| 28-Jan-99 | | Shipston-on-Stour | Warwickshire | | Looked like an aeroplane, (had wings, but no propellers). It was silent with red and blue lights on it. Was hovering above the tree tops. |
| 01-Feb-99 | 15:10 | Bramley | West Yorkshire | | One object with grey/white tubular fins at both ends. |
| 02-Feb-99 | 17:25 | Swansea | West Glamorgan | | Cross shaped collection of five star like objects. Gold coloured lights. |
| 02-Feb-99 | 18:00 | North Finchley | London | | Two opaque spheres. The two objects were chasing each other around. |
| 02-Feb-99 | 01:30 | Hull | Humberside | | Round in shape. Coloured red, green, blue, white and yellow. |
| 04-Feb-99 | 00:20 | M56 towards Chester | Cheshire | | One, circular object, very dark with four permanent red lights and three to four pulsating lights. |
| 05-Feb-99 | 01:30 | Brighton | East Sussex | | One round object, with a very bright, white light. Was hovering like a yo-yo. |
| 05-Feb-99 | | Chiswick | London | | Five, six or seven unusual light objects. Moving in all different directions. |
| 06-Feb-99 | 22:45 | Hadleigh | Suffolk | | Boomerang shaped craft. Red flashing light on the front and a white consistent light on each side. Was hovering. |
| 07-Feb-99 | 18:50 | Brighton | East Sussex | | One diamond shaped object. Had white/blue colours on it. Was very bright. Was hovering and moved up and down too. |
| 07-Feb-99 | 18:20 | Winchester | Hampshire | | One indistinct shaped object that was white and very bright. |
| 07-Feb-99 | 22:45 | West Hampstead | London | | A silver ball of light. It darted around and was very fast. |
| 07-Feb-99 | 22:25 | M53/Hopsford | Warwickshire | | Circular object, the colour of a green traffic light. It moved in a steady, straight line. |
| 09-Feb-99 | 20:06 | Wandsworth | London | | One object that was hovering. |
| 10-Feb-99 | 02:45 | Swansea | West Glamorgan | Retired Air Traffic Controller | A single blue and red object. Very bright. It made an S pattern in the sky, when finished, moved North East. |
| 11-Feb-99 | 18:45 | Caernarvon | Gwynedd | | Single aircraft/object, that had rotors. It had blue, red and white strobes. |
| 11-Feb-99 | 19:50 | Near Ambury | Worcestershire | | One oval spot light. |
| 12-Feb-99 | 21:00 | Wakefield | West Yorkshire | | Single object, rectangular, like a fire ball, with a red centre and an orange or yellow aura. |
| 14-Feb-99 | 05:30 | Hastings | E Sussex | | A UFO that looked like a helicopter? It hovered and then shot off into the distance. It had red flashing lights! |
| 14-Feb-99 | 23:00 | Brook | Surrey | | Three or four lights linked by a green lattice. |
| 15-Feb-99 | 10:25 | Prestwick | Ayrshire | | Primary radar contact, ten miles wide. Object was travelling very quickly. |
| 15-Feb-99 | 07:50 | Didlington | Norfolk | | A 'Hub-cap on it's side' shape, which was a very bright orange/yellow colour. |
| 17-Feb-99 | 07:00 | Canning Town | London | | Two large objects that changed from a water drop shape, to a 'U' shape then separated into squiggly lines. Very bright orange/yellow colour. |
| 20-Feb-99 | 19:00 | East Horsley | Surrey | | Eight small circles forming one large circle, which was green in colour. |
| 20-Feb-99 | 07:20 | Burt | Lancashire | | One exceedingly bright white light approximately 10 metres in diameter. Appeared to be disc shaped. |
| 21-Feb-99 | 18:45 | Humber Bridge/Hull | East Yorkshire | | The object looked like a dull orange ball, the size of a tennis ball. It made a jig movement. |
| 22-Feb-99 | | Glasgow | Glasgow | | A silver ball was hovering for a few seconds and then shot off. |
| 22-Feb-99 | 20:20 | Pickering | North Yorkshire | | Two objects diagonally above one another, initially blue in colour, they disappeared for a few minutes and reappeared orange in colour. |
| 22-Feb-99 | 23:45 | Halifax | West Yorkshire | | One quite big, round shadowy object with bright lights. There was a droning sound. |
| 22-Feb-99 | 18:00 | Birkenhead | Merseyside | | Two lights in the sky, one bigger than the other. |
| 22-Feb-99 | 18:45 | Ilkley | West Yorkshire | | Two very large round, white objects. They were very bright. Were drifting across the sky in a Westerly direction. |
| 22-Feb-99 | 18:15 | Great Missenden | Buckinghamshire | | Three very large round, white objects. Extremely bright. Stationary, but then moved away very quickly. |
| 22-Feb-99 | 18:40 | Skipton | North Yorkshire | | Two very large round, white objects. One larger than the other. They were very bright. Just stayed stationary. |
| 22-Feb-99 | 19:13 | Bradford | West Yorkshire | | Two very large round, white objects. Very bright. Were stationary and then moved West. |
| 22-Feb-99 | 19:30 | Leeds | West Yorkshire | | Two very large round, white objects. Very bright. |
| 22-Feb-99 | 20:20 | Minard | North Argyll | | Stationary lights, that then disappeared and then reappeared. |
| 22-Feb-99 | 19:40 | West of Glasgow Airport | Strathclyde | | Two bright stationary lights, low on the horizon. The lower one was brighter. They were stationary in the sky for 30 minutes. |

UFO Report 1999

| Date | Time | Town / Village | County | Occupation of reporter (where known) | Brief Description of sighting |
|-----------|-------|-------------------------|--------------------|--------------------------------------|--|
| 22-Feb-99 | 18:30 | Kings Langley | Hertfordshire | | Two static lights that were very bright and large. No movement at all. |
| 22-Feb-99 | 18:50 | Wraysbury | Middlesex | | Two very large, white objects that were very bright. One was larger than the other. |
| 22-Feb-99 | 19:45 | Weston-super-Mare | Somerset | | Two large round, white objects. Very bright light. The objects remained stationary for about 15 minutes. |
| 22-Feb-99 | 19:30 | Bristol | Somerset | | Two large round, white objects. Very bright. Were slowly moving West and lowering. |
| 22-Feb-99 | 18:50 | St Monans | Fife | | Bright light, pale blue and purple in the centre. |
| 22-Feb-99 | 20:09 | Derby | Derbyshire | Police Officer | Two large round, white/yellow lights. |
| 22-Feb-99 | 18:40 | Glenrothes | Fife | | Two bright lights that were approximately one degree apart. |
| 22-Feb-99 | 19:00 | Bolton | Greater Manchester | | Two objects. Top one had a pale white light. The bottom one had a red/green light. They glided along the sky. |
| 23-Feb-99 | 19:00 | Burnley | Lancashire | | Disc with lights. Was hovering. |
| 24-Feb-99 | 19:00 | Chingford | Essex | | Looked like Saturn - had a ring around it. Had lots of flashing lights. Could have been an advertising balloon. |
| 25-Feb-99 | 22:10 | Barnard Castle | County Durham | | Bright yellow object. The object was moving from South to North. |
| 28-Feb-99 | 22:00 | A68, Corbridge | Northumberland | | Approx. size of ten football pitches, shaped like an arrowhead. Moving towards and upwards. |
| 04-Mar-99 | 21:15 | Lichfield | Staffordshire | | White lights. |
| 05-Mar-99 | 21:00 | M60, Manchester | Greater Manchester | | Rectangle/yellow light. |
| 05-Mar-99 | 22:30 | Falkirk | Stirlingshire | | One dozen objects. Red, green, blue and white colours. The objects were stationary and revolving. |
| 06-Mar-99 | 01:15 | Worthing | West Sussex | | Black ball shaped object. Also looked metallic. Changed direction of travel from South to East. Quite fast. |
| 07-Mar-99 | | Ballykinler | County Down | | Lights seen at various times, after dark. The lights were triangle and diamond shaped. They were moving in different directions. |
| 08-Mar-99 | | Seaforde Village | County Down | | Lights in a circle. They were spinning clockwise and oscillating. |
| 09-Mar-99 | 18:30 | Ammanford | Dyfed | | Two dark grey objects. They then looked translucent. They were manoeuvring and then disappeared into the cloud. |
| 09-Mar-99 | 10:10 | Newton Abbot | Devon | | One large circle, not constant, as it changed. Yellow and very bright. The object was moving very slowly. |
| 10-Mar-99 | 20:30 | Broughton/Scunthorpe | Lincolnshire | | Bright star shaped light, about the size of a hot air balloon. Object was still, then dropped in height below tree line. |
| 10-Mar-99 | 10:30 | Bangor | Gwynedd | | Flashing lights that were various colours. Shape unknown. Moving West. |
| 10-Mar-99 | 20:05 | Chelsea - Football Club | London | Police Officer | Four yellow lights. Changed from square to diamond shape. The object was travelling from East to West. |
| 11-Mar-99 | 05:10 | Newcastle Emlyn | Carmarthenshire | | One, large, round white light. Very bright. Moving from West to East. |
| 13-Mar-99 | 21:25 | Cardiff and Pontypridd | South Glamorgan | | Cardiff - Set of one red, blue and yellow lights in a straight line. Very bright. Pontypridd - one set of bright white lights in a triangle. |
| 14-Mar-99 | 23:25 | Penheridge | Staffordshire | | Low flying, hovering, silent aircraft. |
| 17-Mar-99 | 23:30 | Shavington/Crewe | Cheshire | | One star sized object, brighter than a star. Stationary at first and then moved Westward. |
| 18-Mar-99 | 21:40 | Bebington | Merseyside | | Two round objects. They had a faint red glow. One reversed on itself and then travelled North to join the other one. |
| 20-Mar-99 | 00:50 | Frankwell/Shrewsbury | Shropshire | | A triangle of lights that went across the witness with no sound. They were travelling from North to South at a fast speed. |
| 24-Mar-99 | 21:25 | Falkirk | Stirlingshire | | Large, glowing object, brighter than a starry glow and bigger than a star. Appeared to have a 'line' through it. |
| 25-Mar-99 | 21:30 | Strathmiglo | Fife | | One bright, white light. Object was static to the South. |
| 26-Mar-99 | 20:45 | Carshalton | Surrey | | One large, round object. White and very bright. Was travelling North West. |
| 26-Mar-99 | 20:40 | Alford | Hampshire | | One large, round object. White and very bright. Was travelling North West. |
| 27-Mar-99 | 21:00 | Kilmarnock | Ayrshire | | Bright light. |
| 29-Mar-99 | 21:00 | Tranent | East Lothian | | Star shape - coloured red, green and blue. |
| 29-Mar-99 | 23:05 | Newburgh | Fife | | Triangular UFO weaving from side to side and changing colour over Newburgh for two hours. |
| 29-Mar-99 | 21:30 | Ardross | Ross Shire | | One object, four times larger than Venus. Halogen coloured. Brighter than Venus. |
| 30-Mar-99 | 21:35 | Ardross | Ross Shire | | One object, four times larger than Venus. Halogen coloured. Brighter than Venus. Was stationary for quite a while. |
| 01-Apr-99 | 02:05 | Llandovery | Dyfed | | One capsule. Blue and silver at rear. |
| 06-Apr-99 | 14:45 | M2, Faversham | Kent | | Lots of swirly white lights. 40-50 ft wide. Circular and very bright. Transparent like a jellyfish. Lights were coming and going. |
| 10-Apr-99 | | Wem nr Shrewsbury | Shropshire | Pilot | One large circular object with bottom missing. |
| 10-Apr-99 | 10:30 | Withernsea | Humberside | | Irregular pattern of lights - coloured white, blue, yellow and red. |
| 13-Apr-99 | 21:15 | East Belfast | Northern Ireland | | Very bright point light - source light flashing white, with four quick flashes then a gap. Object climbed rapidly in 30 seconds. |
| 14-Apr-99 | 11:18 | Lewes | East Sussex | | Five circular objects. Green, red and white in colour. Extremely bright. They were moving North. |
| 15-Apr-99 | 02:19 | Tooting | London | | One circular object. White and bright. |
| 22-Apr-99 | | Dagenham | Essex | | Object as large as a saucer, painted with a fine brush. Flicking now and again. |
| 29-Apr-99 | 16:00 | | Mid-Glamorgan | | Circular shaped object. Too high to be a bird and too low to be a plane. Was travelling from East to West. |
| 29-Apr-99 | 21:27 | Brockley | London | | Boomerang shaped object, silent. Moving in a North East direction. |
| 01-May-99 | 21:25 | Greenock | Renfrewshire | | Five lights going into a centre and breaking away to a circle. They were circling. |
| 04-May-99 | 22:15 | Modbury | Devon | | One haze of light with two tyre like spheres in the middle. Was white with a yellow haze and was very bright. Stationary at first. |
| 16-May-99 | 00:15 | Worcester | Worcestershire | | One round object, very bright. Was yellow with a red flash. |
| 16-May-99 | 21:20 | Poole | Dorset | | Various rounded, orange/yellow objects. Very bright. Fourteen at once, down to three. Going Westerly. |
| 18-May-99 | 12:45 | Elgin/Moray | Morayshire | | One object, balloon shaped. Had a bright white glow. Moved slowly to the left and then stayed stationary for a while. |
| 19-May-99 | 08:21 | Bexhill | East Sussex | | A bright light hanging in the sky. Looked like it had bits trailing off of it. Appeared to be stationary. |
| 22-May-99 | 22:00 | Davyhulme | Greater Manchester | | Round and a dull orange. Was swaying, while moving upwards, and then changed direction as if guided. |
| 23-May-99 | 23:00 | Oakham | Leicestershire | | Two large, yellow, bright lights. Didn't look like they were moving. |
| 24-May-99 | 20:45 | Craigie Village | Ayrshire | | Star shaped object with a tail above it. Was a yellow/white colour and very bright. Moving, but almost vertical. Then moved West. |

UFO Report 1999

| Date | Time | Town / Village | County | Occupation of reporter (where known) | Brief Description of sighting |
|-----------|-------|----------------------|--------------------|--------------------------------------|--|
| 26-May-99 | 21:25 | Liverpool | Merseyside | | White light, very bright. Object approached slowly from the South, appeared to be stationary, before heading East and vanishing. |
| 26-May-99 | 21:35 | Swansea | West Glamorgan | | One object, white and very bright. Very high up and very fast. |
| 29-May-99 | 22:30 | Bonnybridge | Stirlingshire | | Very large, bright, star shaped object. Was low in the sky and hovering. |
| 05-Jun-99 | 22:58 | Brighton | East Sussex | | Very large circular set of lights in a tilted circle. Then split into two semi-circular arcs, then joined up again. White and very bright. |
| 08-Jun-99 | 00:00 | Marlborough | Wiltshire | Private Pilot | One circular, red, yellow, blue and green object. A strong brightness. It made sudden movements. |
| 08-Jun-99 | 22:35 | Monmouth | Gwent | | One object, the size of a hot air balloon. Was bright, with a honeycomb of light. Was stationary and then flew off. |
| 08-Jun-99 | 19:24 | Rhymney Valley | Gwent | | One metallic sphere, approximately five-six metres. Was flying erratically from South to North along the Rhymney Valley. |
| 09-Jun-99 | 23:15 | Bliithbury Reservoir | Admstaff/Staffs | | The object was round. Was green, red, blue and yellow in colour. It darted from left to right and toward the Witness's vehicle. |
| 11-Jun-99 | | Salisbury | Wiltshire | | Very bright, highly reflective object. Not like usual aircraft and did not have wings or a tail. Was rotating horizontally. |
| 12-Jun-99 | 01:05 | Flint | Clwyd | | Disc/star shape object with coloured lights, blue and green, spinning around it. Sphere of light high in the atmosphere. |
| 14-Jun-99 | 16:15 | Algate | London | | One thirty foot, silver ball/sphere. Vertical at first. Was still and then moved Southwards very gradually. |
| 24-Jun-99 | 22:19 | Hove | East Sussex | | Object - domed shape. It had a bright, white light and was flashing. Object was stationary for about 45 minutes. |
| 25-Jun-99 | 00:03 | | Derbyshire | | Line of lights, very intense. Steady red lights on top. Moving away at an angle moving to the right. They were horizontal. |
| 26-Jun-99 | 13:30 | Blaneifield | Ayrshire | | Balloon shaped object, with bright yellow on top and a black, flat base. The object was smooth, straight and level. |
| 30-Jun-99 | 19:40 | Kingsbury | London | | One object, bullet shaped, rounded at the sides. Was jet black and very noticeable against the light evening sky. Headed North. |
| 30-Jun-99 | | Kingsbury | London | | One large, black object. It glided. Was oscillating and climbing. Moving North. |
| 03-Jul-99 | 22:10 | Hemford | Shropshire | | Single circular object, the size of a golf/tennis ball. White and very bright. Very slow. |
| 04-Jul-99 | 20:00 | Holland on Sea | Essex | | Oval transparent, except outer edge, object, which gave the whole appearance of a smoke ring. Outline was dark. Changed shape when it moved. |
| 05-Jul-99 | 23:10 | Scunthorpe | Lincolnshire | | Bright, white light with a red tinge. Vertical, then started moving erratically. |
| 06-Jul-99 | 01:15 | Eastbourne | East Sussex | | Saucer shaped, about 80ft in diameter. Was about 20ft to 30ft off the ground. It made a rattling sound. Six beams, bright light. |
| 10-Jul-99 | 00:51 | Rillington | North Yorkshire | | Circular object, size unknown. It was surrounded by red and green lights. There was static. |
| 10-Jul-99 | 20:55 | Porthcawl | Mid-Glamorgan | | One cylindrical object. White and very bright. Was moving from left to right. |
| 10-Jul-99 | 19:00 | Clayton | Greater Manchester | | 30ft, circular object. |
| 10-Jul-99 | 02:45 | Scunthorpe | Lincolnshire | | Bright, white light with a red tinge. Vertical, then started moving erratically. |
| 11-Jul-99 | 00:00 | Llangynog | Powys | | Like a medium, bright star. Made an unusual gentle ark. Then some strange squiggles from left to right. High up in the sky. |
| 12-Jul-99 | 11:45 | Flint | Flintshire | | One star shaped object. Coloured lights around it - green, blue and red. Spinning. |
| 12-Jul-99 | 13:45 | Washingborough | Lincolnshire | | One, small kite shaped object. Was bright white in colour. Formed an arc shape, then moved away. |
| 12-Jul-99 | 23:10 | Blandford St Mary | Dorset | | Three star shaped objects. They were all white and very bright. They were faster than an aircraft. |
| 12-Jul-99 | 02:00 | | Wiltshire | | Line of three orange lights. Two of them were close together. |
| 13-Jul-99 | 02:15 | Eyres Monsell | Leicestershire | | One object was a triangle shape and the other, a 'V' shape. Both had green and red lights. One was pulsating. |
| 14-Jul-99 | 21:45 | Bushey | Hertfordshire | | One object with four bright, white lights on it. It moved in a straight line. |
| 14-Jul-99 | 15:00 | Peterlee | Durham | | Bright silver object. Was stationary. |
| 15-Jul-99 | 23:35 | Halsted | Essex | | Blue lights darting around very quickly. |
| 15-Jul-99 | 00:00 | Eastbourne | East Sussex | | Numerous. Bright flashing. Like satellites, but definitely not. Were slow then fast. |
| 15-Jul-99 | 01:10 | Dwyfach | Gwynedd | | A bright light. |
| 24-Jul-99 | 23:30 | Redcliff | Somerset | | Ten circular objects, variety. Brightness was less than a star. Object in line, doing zig-zags. Heading North. |
| 25-Jul-99 | 00:20 | Coventry | West Midlands | | Illuminated disc - about approximately 4 inches in diameter. Was vertical. Was moving fast in a straight line. |
| 25-Jul-99 | 23:05 | Murthly | Tayside | | One object roughly the size of a football or melon. Yellow/orange in colour. Went to a pinpoint and disappeared. |
| 25-Jul-99 | 22:25 | Porthcawl | Mid Glamorgan | | One disc shaped object, bluey silver in colour. Moved in a straight line. Definitely not a star or planet. |
| 01-Aug-99 | 10:30 | Rochdale | Greater Manchester | | Balloon shape. There were lights round the object. Was hovering for some time. |
| 02-Aug-99 | 21:50 | Boston | Lincolnshire | | Very bright light. Orange in colour. Much bigger than aircraft lights. |
| 03-Aug-99 | 22:30 | Slough | Berkshire | | Single disc, star sized. White in colour and bright like a star. |
| 04-Aug-99 | 23:30 | Glenrothes | Fife | | One small, very bright object with a tail. Changing colours. Slight movements - side to side. |
| 06-Aug-99 | 22:30 | Loversall | South Yorkshire | | Both UFOs were flashing different colours. They appeared to be hovering, but no shape could be seen. |
| 08-Aug-99 | 22:00 | Ulverton | Cumbria | | Circular flashing lights. They made extremely strange movements. |
| 13-Aug-99 | | Tenterden | Kent | | A large, brilliant light was stationary in the sky. It moved away fairly quickly and disappeared. |
| 17-Aug-99 | 20:50 | | Carlisle | | Two blue balls of light - dancing around in the sky. |
| 21-Aug-99 | 21:50 | | Middlesex | | One orange ball. Very bright. Was humming. Moved in a straight line. |
| 21-Aug-99 | 21:30 | Kinloss | Morayshire | | Two lights in the sky. Very bright. |
| 22-Aug-99 | 19:15 | Thornton/Bradford | West Yorkshire | | A black saucer/disc which was making no noise and had a bright silver light which appeared to rotate round the saucer. |
| 01-Sep-99 | 18:30 | Ealing | London | | One object, aircraft size. Long, thin and black in colour. |
| 10-Sep-99 | 17:18 | Oldham | Greater Manchester | | Round ball. Bright white in colour. Was horizontal. |
| 11-Sep-99 | 22:15 | Livermead/Torquay | Devon | | One large, cigar shaped object. Luminescent green and very bright. The object sort of glided along. |
| 11-Sep-99 | 19:45 | Stowmarket | Suffolk | | One yellow object. Star brightness. 'Bouncing' |
| 12-Sep-99 | 19:42 | Lower Stoneham | East Sussex | | Six groups of coloured lights. White, green and red lights. |
| 12-Sep-99 | 21:20 | Sellindge/Ashford | Kent | | Bright light, not blinding, was heading South. |
| 13-Sep-99 | 16:30 | | Guernsey | | One small, circular object. White and extremely bright. Object appeared to be constructed of a lattice/trellis. |

UFO Report 1999

| Date | Time | Town / Village | County | Occupation of reporter (where known) | Brief Description of sighting |
|-----------|-------|-------------------------|--------------------|--------------------------------------|--|
| 13-Sep-99 | 01:40 | Penarth/Cardiff | South Glamorgan | | Large, bright object. |
| 13-Sep-99 | 23:00 | Newbiggin By-The-Sea | Northumbria | | Large, bright light hovering near the coastline. Looks like a large star with a small one on top. Red light coming from the middle. |
| 18-Sep-99 | 07:30 | | London | | One small, round, white/silver object. Extremely bright. |
| 19-Sep-99 | 20:20 | Marlborough | Wiltshire | | One car sized object. Tubular shaped. It had three lights at the front, and they were very bright. Moved off at a high speed. |
| 20-Sep-99 | 23:30 | Malton | North Yorkshire | | Flat rugby ball - shaped oval object. Had two flashing red lights at the ends. Circled then hovered, then headed off. |
| 22-Sep-99 | 21:25 | Longden | Shropshire | | One brilliant ball of light. The object climbed very high and very fast in the sky, and then disappeared. |
| 23-Sep-99 | 10:00 | Leominster | Herefordshire | | One large object, aircraft size. Bright light in front of object. Long, with wings. Jet sound and very fast. Black smoke coming from the rear. |
| 24-Sep-99 | 22:10 | Glengormley | Co. Antrim | | One object with a red light. Flew level, then climbed vertically, with a grey trail of smoke. Very fast. |
| 25-Sep-99 | 01:30 | Tinshill | West Yorkshire | | Oblong, flexible object. Red in colour. Was very bright and then dimmed a little. |
| 28-Sep-99 | 04:55 | Lochgreen | South Ayrshire | | Very bright, intense light. Flared up and moved left to right, very fast. Made sudden movements and quick direction changes. |
| 29-Sep-99 | | Beddingham | East Sussex | | One large, circular, flat, brown object. Was seen hovering. |
| 02-Oct-99 | | Woolston/Warrington | Cheshire | | A beam of light was seen over a school. A noise was then heard, but not that of a plane or helicopter. |
| 03-Oct-99 | 20:00 | Dinnington | South Yorkshire | | A light was seen in the sky and then a square shaped object appeared, with lights at each corner. |
| 04-Oct-99 | 21:09 | Rosyth | Fife | | One star shaped object, that was white. Had a very bright light. Moved fast in a straight line. |
| 05-Oct-99 | 21:55 | Llanbedrog | Gwynedd | | One object, larger than normal aircraft, tubular shape. Was bright green tinged with blue. Moved downwards leaving trail behind. |
| 09-Oct-99 | 21:15 | Calne | Wiltshire | | Two lights, one large and one small. White and very bright. They were moving from left to right and then to the left again. |
| 10-Oct-99 | 23:50 | Foxham | Wiltshire | | A single white light. Was stationary for a while. Fans of light moving left to right and back. |
| 11-Oct-99 | 11:20 | Clitheroe | Lancashire | | One object, like a rounded saucer that was smaller than a bi-plane. Dark on top and light underneath. |
| 18-Oct-99 | 06:25 | Ilford | Essex | | One cylindrical object, that was the size of fuselage or a small/medium aircraft. Bright white. Moved rapidly upwards and then disappeared. |
| 18-Oct-99 | 02:00 | Bath | Somerset | | One object, the size of a medium star. Shaped like a ball with three prongs. Green, red, blue and white. Very bright. |
| 18-Oct-99 | 19:21 | Shotton | Flintshire | | UFO with a light, was hovering. A second UFO appeared. Had a large bright, white light. Also seemed to have red and green fleck on it. |
| 20-Oct-99 | 02:45 | Liverpool | Merseyside | | One round, football sized object. Translucent green. Extremely bright. Moved quite slowly in a straight line. |
| 24-Oct-99 | 21:00 | Eppingham | Surrey | | Long streak of light in the sky resembling six-eight windows. Side to side, moving very fast. |
| 24-Oct-99 | 19:40 | Kingston Upon Thames | Surrey | | Green light was seen projecting from the cloud, followed by a pulsed wave of green light. Very bright. In a Southerly direction. |
| 25-Oct-99 | 23:59 | Wetherby | West Yorkshire | | Triangle formation of lights. Suddenly gained speed and headed off North. |
| 25-Oct-99 | 05:45 | Woolverstone | Suffolk | | Very bright light, ten times the size of a star. Was very high in the sky, and not moving or flashing. Not an aircraft. |
| 25-Oct-99 | 08:00 | Hipperholme, Halifax | West Yorkshire | | A strange object was seen. |
| 26-Oct-99 | 18:40 | Bentlech | Anglesey | | A white, onion shaped object, which was glowing white, with sparks. Was moving rapidly in a straight line. |
| 27-Oct-99 | 17:00 | | | | Blue and green lights, with things falling out of the sky. |
| 31-Oct-99 | 21:00 | Lisburn | County Antrim | | One object. Size of a bowling ball at arms length. Hexagon shaped. Had red lines on it. Very bright. It moved fast, then vanished. |
| 31-Oct-99 | 16:15 | Grantown-on-Spey | Morayshire | | Large ball with two forks at rear. The ball and between the forks were lit. Not as fast as a jet. |
| 02-Nov-99 | 19:43 | Urmston | Greater Manchester | | A star like object, growing larger, then shrinking before disappearing. Moving fast. |
| 02-Nov-99 | 06:20 | Blurton, Stoke-on-Trent | Staffordshire | | A small white light travelling in a straight line towards a second light, which appeared to be a star. Then object fell and light dissipated. |
| 06-Nov-99 | 21:20 | Heysham | Lancashire | | Four objects/lights sighted in the sky, moving at varying speeds. They moved erratically. |
| 08-Nov-99 | 18:00 | Penicuik | Midlothian | | Object looked like a star, but with blue and red flashing lights. Kept a constant position. |
| 10-Nov-99 | 20:25 | Littlehampton | West Sussex | | Was described as an 'unidentified foreign object'. |
| 16-Nov-99 | 04:00 | Kirkham, Preston | Lancashire | | A sphere of bright light, approximately the size of a tennis ball. Falling from the sky towards the ground. |
| 16-Nov-99 | 18:00 | Whitby | North Yorkshire | RAF Pilot | One bright red light, flickering. Static in the air. Was moving to the West. |
| 17-Nov-99 | 23:20 | Maidenhead | Berkshire | | A large circular light in the sky. After about eight minutes, it drifted off to the West. |
| 18-Nov-99 | 16:00 | Crickhowell | Gwent | | A vertical orange line near the horizon. Moved to a horizontal position. One inch at arms length. |
| 20-Nov-99 | 08:12 | Market Drayton | Shropshire | | A craft with a bright, white light. The craft positioned once and then moved out of sight. |
| 21-Nov-99 | 22:25 | Arbroath | Angus | | Single, roundish, orange glowing light. Was moving horizontally across the sky, and away in the distance. |
| 22-Nov-99 | 21:15 | Skipton | North Yorkshire | | Two UFOs, red in colour, followed by what appeared to be two jets. |
| 26-Nov-99 | 17:30 | Carcroft nr Doncaster | South Yorkshire | | A series of ten green lights in the sky. They formed a formation, then broke formation and headed towards a large light. |
| 28-Nov-99 | 22:08 | Pentraeth | Gwynedd | | Giant dewdrop shaped object. Had a yellow centre and a green/blue haze around the outside. Too big to be a shooting star. |
| 29-Nov-99 | 18:30 | Durham | Tyne & Wear | | Two small, ball shaped objects. Orange in colour. Bright and then dim. They were moving upwards. |
| 29-Nov-99 | 23:55 | Tilbury | Essex | Police Officer | One, green, red and white lights. Lights were brighter, than on an aeroplane or a helicopter. In sky, remaining static. |
| 29-Nov-99 | | Tilbury | Essex | Police Officer | One bright star like object, with a green hue surrounding it. Could have been a comet. |
| 29-Nov-99 | 23:55 | Tilbury | Essex | Police Officer | White, star like object, twinkling red and green. Did not move. It was brighter than the other stars. |
| 29-Nov-99 | 23:55 | Chadwell St Mary | Essex | Police Officer | One object. Flickering green and red. |
| 29-Nov-99 | 23:20 | Dagenham | Essex | | Four lights - blue, yellow, red and white. Four shapes visible through binoculars. |
| 29-Nov-99 | 23:34 | Dartford | Kent | | Small light, too far away to ascertain shape. Glittering red, green and white. Did not move. |
| 02-Dec-99 | 02:05 | Worthing | East Surrey | | Saw a UFO. Said it could have been a shooting star or a comet. |
| 02-Dec-99 | 03:00 | Thetford | Norfolk | | One triangular object, with two lights displayed in a similar manner to car headlights. Object rotated about a vertical axis and descended. |
| 03-Dec-99 | 08:30 | Deans, Livingston | West Lothian | | The witness just said it was an object. |
| 03-Dec-99 | 13:50 | Scunthorpe | Lincolnshire | | A large cigar shaped object. The object moved very fast. |
| 04-Dec-99 | 22:10 | Newport | Gwent | | A bright, Venus, pale orange object. Was moving as a bird would, in and out of formation. |

UFO Report 1999

| Date | Time | Town / Village | County | Occupation of reporter (where known) | Brief Description of sighting |
|--------------|-------|-------------------|---------------|--------------------------------------|---|
| 05-Dec-99 | 21:55 | St Peter Port | Guernsey | | Six - eight orange blobs. Reasonably light - fuselage. Resembled flight of a bird. |
| 07-Dec-99 | 17:45 | Newport | Gwent | | One star shaped object. White and very bright. Very erratic movement. |
| 09-Dec-99 | 17:00 | Melton/Woodbridge | Somerset | | One very large object. Had a tail. Was green in colour and glowing. |
| 09-Dec-99 | 16:55 | Orsett | Essex | | Large Crystal ball object. The size of a light bulb. Yellowy/white in colour. Travelling in a diagonal direction. |
| 13-Dec-99 | 06:00 | Windlesham | Surrey | | One object. Like a satellite or star. White and very bright. Very fast. |
| 15-Dec-99 | 08:00 | Witham | Essex | | One large object. Snowdrop shape. Could be a star/possible satellite. White and very bright. Moving South-East. |
| 15-Dec-99 | 03:30 | Glasgow | Strathclyde | | Multiple bright lights. Occasionally red and green. Some were moving and flashing. Streaks of light. Erratic, occasionally in formation and then splitting. |
| 17-Dec-99 | 18:45 | Swindon | Wiltshire | | Two objects. Had white lights. Brighter as they turned. There was lots of circling and spinning. |
| 17-Dec-99 | 10:00 | Dundee | Angus | | Three bright piercing lights. Extremely bright. Three then became four. |
| 18-Dec-99 | 19:30 | Forest Hill | London | | White glare. Underneath, another glare, red and blue. |
| 19-Dec-99 | 16:00 | Whiteley | Hampshire | | A large, bright object hovering in a South West direction. A few seconds later, it vanished. |
| 21-Dec-99 | 08:45 | Banchory | Aberdeenshire | | One circular object. White and very bright. The object was moving downwards. |
| 28-Dec-99 | 06:10 | Swindon | Wiltshire | | One circular object, too big to be a star. Mostly white, but coloured lights too. Moved from right to left at speed. |
| 29-Dec-99 | | Dundee | Angus | | Bright lights. Cylindrical shape, turning to a V shape. Was moving from East to West. |
| 31-Dec-99 | 18:45 | Wigmore | Herefordshire | | A large flashing light. It then looked like a white circle flashing in the sky. |
| No Firm Date | | Chobham | Surrey | | A silver object, darting back and forth. Was moving fast and then disappeared quickly. (Message taken - 3 November 1999). |
| No Firm date | | Hanley | Staffordshire | | Two small dots, cream coloured. Like half way speed between a satellite and shooting star. (Sent to DAS - 10 November 1999). |
