

UFO Reports 2007

Date	Time	Town / Village	County	Occupation of reporter (where known)	Brief Description of sighting
03-Jan-07	22:08				Objects were seen in the sky towards the moon.
06-Jan-07					A UFO.
16-Jan-07	20:45	Llanpumsaint	Carmarthenshire		Ball of light that faded away, then came back again. Orange ball was near the car. Three red lights were seen moving clockwise.
01-Feb-07	17:25	Archway/Islington	London		Twelve - fifteen orange balls of light seen moving across the sky. Moved upwards, then faded away.
03-Feb-07		M4 Motorway/Swindon	Wiltshire		An object fell from the sky. It had like a green halo around it. Was very bright.
03-Mar-07	22:29	Long Eaton	Nottinghamshire		A curved, diamond shaped object, passed over the witnesses head, going North. It was travelling very fast.
07-Mar-07		Cold Ashby	Northamptonshire		Joined lights suddenly moving independently and erratically. Sometimes vertical.
14-Mar-07	19:00	Idridgehay	Derbyshire		A very bright light.
21-Mar-07	19:30	Wirksworth	Derbyshire		Looked like three small aircraft. They were totally still in the sky. They were very white.
29-Mar-07	11:25	Lincoln	Lincolnshire		Two objects, with very bright lights. They were moving too slow to be aircraft.
08-Apr-07	00:11	Southampton	Hampshire		Two distinctive lights, which were reddish in colour and were moving rapidly from South West to North.
09-Apr-07	21:00	Skegness	Lincolnshire		There was a dark silhouette/figure/thing quite low in the sky. It seemed quite flat, and the edges seemed to curve downwards, slightly.
12-Apr-07	20:30	Duxford	Cambridgeshire		Fifty objects, each with a single orange light. They gathered, before ascending directly upwards.
13-Apr-07	21:46	Forress/Moray			Very bright light, (much brighter than a star), with rays radiating outwards. Object was stationary.
14-Apr-07	06:30	Liverpool	Merseyside		A red, pipe like object. It was seen for about 10-15 seconds, very close to the plane. It then disappeared into the clouds.
17-Apr-07	21:20	Glasgow	S'clyde		Five orange/red glows were seen in the sky. They were moving quite fast. They were in formation and then parted and disappeared.
17-Apr-07	02:45	Stafford	Staffordshire		A flying saucer with lights on it. It changed from a saucer shape to a star shape and then disappeared.
20-Apr-07	21:30	Bexley	Kent		There were over fifty lights floating in the sky. They were red/orange in colour.
21-Apr-07	09:27	Bury St Edmonds	Suffolk		Four, black sphere shaped objects flying through the sky.
23-Apr-07	14:09	In the air nr Alderney	Channel Islands	Two Pilots, different planes	First object was bright orange/yellow. There was a gap in light or darker area. Second object was identical.
01-May-07	15:55	Leicester	Leicestershire		Tear shaped object, that was black in colour. The object was travelling fast and left what sounded like a rocket sound behind it.
20-May-07	02:04		West Derbyshire		Round orange ball, which then turned into an orange speck, as it moved further away.

UFO Reports 2007

21-May-07	22:00	Parley Cross/Bournemouth	East Sussex		Bright orange lights were seen. The lights seemed to split up and go in different directions. Then they silently all disappeared.
26-May-07	22:30	Ewhurst	Surrey		A red light flew past the back of the witnesses house and was making a pop, pop, popping sort of noise. It was brightly lit.
27-May-07	23:27	Wandsworth	London		Red light in the sky, moving over the top of the witnesses house.
29-May-07	23:45	Pontrobert/Meiford	Powys		Triangular shaped object. About 100ft high/large. Bright green and blue. A second object appeared and it had pink pulsating lights.
02-Jun-07	10:26	Stanwell Village/Staines	Middlesex		A star shaped object, that did not move for 10-15 minutes.
09-Jun-07	23:00	Ilminster	Somerset		A strange object, that was like an unusual star. It was glowing red and then turned into a silver ball. It had a circular light around it.
18-Jun-07	18:00	Southampton	Hampshire		There was an object adjacent to the moon, and was twice the brightness. The object was stationary and looked to be 30,000 ft up.
21-Jun-07	00:45	Stretton/Burton on Trent	Staffordshire		Two glowing bright lights were moving across the sky, and then they disappeared over the horizon. They appeared to be controlled.
23-Jun-07	22:45	Pilton	Devon		Five lights were seen, that were followed by another fifteen lights, all moving in the same direction and extinguishing in the same area.
28-Jun-07		Swindon	Wiltshire		A UFO was seen for a short time.
06-Jul-07		Huddlesfield	West Yorkshire		A moon shaped object, that kept reappearing every two minutes. It swerved rapidly to the left and right at different levels above the horizon.
07-Jul-07	23:15	Montford Bridge/Shrewsbury	Shropshire		There was a convoy of white lights moving along the river bank. They were silent.
14-Jul-07	23:00	Dollar	Clackmananshire		Four bright lights moving quickly towards people that were observing them. The objects gradually came together and then moved apart.
21-Jul-07	23:35	Polgate	East Sussex		Strange, bright red lights were seen. They were stationary for about fifteen to twenty minutes.
24-Jul-07	21:30	Lynton	North Devon		A ball of fire was seen. No tail. It was moving from West to East.
30-Jul-07	23:35	East Finchley	London		Three bright lights were hovering and moving to the left and then to the right very fast. One was stationary and looked like a flare.
31-Jul-07	23:58	Batley	West Yorkshire		An object was seen.
04-Aug-07	22:45	Sheffield	South Yorkshire		Two strange objects, followed by three others. They were bright and fire coloured. Were spinning and moving very fast across the sky.
06-Aug-07	10:10	Hemel Hempstead	Hertfordshire		Three, bright orange lights were seen in the sky.
06-Aug-07	21:55		Cornwall		A UFO was seen.
07-Aug-07	23:07	Wakefield	West Yorkshire		An elongated triangular shaped object, with rounded corners. It had a sort of satin finish, charcoal grey colour. Very large and moving fast.
07-Aug-07	21:00	Buxted	East Sussex		A fast moving, bright object was seen, moving from South to North East.
08-Aug-07	02:00	Castleton	Derbyshire		There was an object moving vertically towards the ground. It had lights around it.
10-Aug-07	22:45	Basingstoke	Hampshire		A single orange light as bright as Venus, was moving at aircraft speed across the sky. The object then hovered and flickered like a flame.
10-Aug-07		Boreham Wood	Hertfordshire		A UFO was seen. It hovered and then shot off.

UFO Reports 2007

11-Aug-07	22:00	Brighton	East Sussex		A bright orange sphere was seen. It shot off quite fast and then disappeared and then reappeared a few minutes later, back to its original position.
11-Aug-07		Farnham	Surrey		A UFO was seen. It was going across the sky quite slowly.
13-Aug-07	22:45	Houghton Le Spring	County Durham		There were two objects of the same brightness. They were slow, erratic, changing direction and suddenly slowing and stopping.
17-Aug-07	22:00	Blairgowrie	Perthshire		Lights in the sky.
18-Aug-07		Streatham	London		An object/objects were seen, and then it/they landed. A person was seen and then other people were seen. A lot of phenomena.
19-Aug-07		Bethnal Green	London		Twenty, solid red lights in the sky. The lights went up and down in the sky and then just disappeared.
24-Aug-07	21:20	Matlock	Derbyshire		A UFO was seen.
26-Aug-07	22:53	Chelmsford	Essex		Five, bright orange lights in the sky, equally spaced, forming a diagonal line. They were moving up and down and to the left and right.
31-Aug-07	22:18	Dunkeld	Perthshire		Orange lights seen in the sky.
31-Aug-07	22:19	Dunkeld	Perthshire		A number of orange lights in the sky. They were very low and fast in the sky.
01-Sep-07	21:00	Alton	Hampshire		Seventeen objects were seen. They looked round, (totally circular) and solid and were a bright orange colour. They were in an elongated shape.
01-Sep-07	22:30	Silver Bay/Rhoscolyn	Isle of Anglesey		The object looked like a brightly coloured aircraft. The object was moving quite fast.
01-Sep-07		Alton	Hampshire		Sixty to two hundred objects seen moving across the sky. They were moving at a steady pace.
01-Sep-07	21:00	Hillmorton/Rugby	Warwickshire		Six, strange lights which were yellow, but had orange in the centre. They were moving in a staggered formation across the sky, below the cloud base.
03-Sep-07		Rotherham	South Yorkshire		A UFO was seen.
03-Sep-07	22:00	Denton/Grantham	Lincolnshire		A cigar shaped object, with flashing lights. It was hovering.
04-Sep-07	22:50	East Finchley	London		A UFO flared and then vanished.
05-Sep-07	19:55	Wroughton/Nr Swindon	Wiltshire		It was a bit like something re-entering orbit.
05-Sep-07	19:40	Wootton Bassett	Wiltshire		One object, like a small aircraft. It was arc shaped. There was also 10-12 white lights. There was constant movement from the object.
09-Sep-07	01:30	Bath	Somerset		The object looked like a low flying cloud, but there was a light flashing on it. The object was moving at a 100ft above ground level, and slowly across the sky.
12-Sep-07	17:30	Hinckley	Leicestershire		A large object was moving fast and low over the 'perimeter road' on the outskirts of Hinckley.
15-Sep-07	20:47	Stone Bay area/Broadstairs	Kent		An unusual sighting of six orange/red, glowing lights, flying in a linear formation. Were flying at normal helicopter height/speed, but were silent.
20-Sep-07	23:45	Camden	London		There were two large pairs of lights rushing towards each other consistently, over a large area in the sky over Camden.
22-Sep-07	09:10	Mossley	Lancashire		A UFO was seen.
23-Sep-07			Staffordshire		A UFO.

UFO Reports 2007

30-Sep-07	21:45	Stoke-on-Trent	Staffordshire		Five objects were seen travelling at speed across the sky.
06-Oct-07	21:30	Uckfield	East Sussex		Sixty orange glowing lights were seen, going across the sky in a trail. They were moving quite slowly.
06-Oct-07	22:00	Trowbridge	Wiltshire		A bright, white light was seen, like a flash and a brightness in the sky. Then 20, orange flickering lights appeared. They then faded and disappeared.
06-Oct-07	21:44	Droitwich	Worcestershire		There were seven to eight spherical objects. They were moving in a straight line in an Easterly direction.
16-Oct-07	05:45	Black Isle	Ross-shire		One object, orb shaped and larger than a star. Was purple and green in colour, and had bubbles, flames and solar flares coming out of it.
20-Oct-07	12:10	Portsmouth	Hampshire		An oval/spherical shaped object approached an aircraft, and appeared to accelerate very fast, and then wobbled from side to side. Another object appeared roughly in the same vicinity and then stayed stationary.
28-Oct-07	21:45	Kiverton area/Rotherham	South Yorkshire		A bright, triangular object was seen in the sky. It had one flashing strobe light and twelve fixed lights beneath it. The object was stationary at first and then moved directly above the witness.
03-Nov-07		Stanfields/Stoke on Trent	Staffordshire		There were eight small discs moving in a formation in the sky.
03-Nov-07		Joyden's Wood/Wilmington	Kent		Eight flying saucers were flying in a line.
10-Nov-07	20:20	Ladybank	Fife		One bright, red object. It was quite large. It hovered for about five minutes, before heading East, gaining height and then vanishing.
12-Nov-07	21:50	Shrewsbury	Shropshire		A series of lights in a circle that had an inner circle. There were fifteen extra lights on the outside of the outer circle. They were moving clockwise, then anti-clockwise through the sky and then back again.
13-Nov-07	21:40	Poulton le Fylde	Lancashire		A bright, white light was seen, moving in a North Easterly direction, on a slow even course. Was about 2000ft up in the sky.
21-Nov-07	19:16	Thorpe St. Andrew/Norwich	Norfolk		A ball that lit up and that lasted half a second. Then a really tiny star moved rapidly, faster than any satellite or aircraft the witness had seen.
23-Nov-07	08:00	Bottesford	Lincolnshire		A silver disc was seen, with an orange light in the middle of it. The object was flying up and down in the sky.
01-Dec-07		Rothwell	Northamptonshire		A circular ship with a set of white, round lights
01-Dec-07	11:40		SW Somax	Pilot	Balloon like object.
08-Dec-07		Bryn	West Glamorgan		Two clusters of amber/orange and white lights in triangular formations. They travelled horizontally in a North Westerly direction. They moved like a cork that was bobbing on water.
09-Dec-07	21:30	M56/Altrincham/Warrington	Cheshire		At first sight, the object looked like a big, stationary flying saucer. At another angle, it then looked like two perfectly formed triangles. They had white lights with a tinge of red and green in them, like halogen lights.
11-Dec-07		Haywards Heath	West Sussex		There was a stationary object in the sky. It looked like the shape of the diagonal cross on the Scottish flag.
12-Dec-07		Shirley/Solihull	West Midlands		A giant craft shone a light into the witnesses back window. It shot off fast at first to the North East and then started to move at a slow pace.

UFO Reports 2007

12-Dec-07	18:30	Bridge of Don/Aberdeen	Aberdeenshire		There were lights in the sky, and then they formed into two triangle formations. They were very bright. There was a smaller light on each end of the two triangles.
15-Dec-07	20:45	Sunderland	County Durham		Lights were seen in the sky.
23-Dec-07		Bdirport	Dorset		Object hovered for a while.Silent. Shone a light down. Difficult to focus on as it looked like a blurred light.
23-Dec-07	17:45				An orange object going across the sky
25-Dec-07	19:20	Kettering	Northamptonshire		A brilliant, yellow light. There was no sound. The light was travelling faster than an aircraft, but slower than a shooting star. It kept on a constant course.
25-Dec-07		Falmouth Bay	Cornwall		A UFO
25-Dec-07		Raurdean Woodside	Gloucestershire		Three round things went across the sky and then one stopped and then the other two then stopped and waited for it.
No Firm Date		Hull	Humberside		A round object, with white lights. The object also seemed to be changing colours. (Message taken 5 February 2007).
No Firm Date		Highgate	London		Flaming yellow object. The yellow object was coming from the West and moving very fast. (Message taken 6 March 2007).
No Firm Date		Braintree	Essex		Strange orange lights that seemed to float across the sky. (Message taken 26 March 2007).
No Firm Date	23:00	Boscombe Down	Wiltshire		An exceedingly bright light, which was stationary, but sometimes flew off. Seen in March/April. (Message taken - 4 April 2007).
No Firm Date		Leeds	West Yorkshire		A white light hovering. Two more little white lights joined the first one. They were all hovering. (Message taken 1 May 2007).
No Firm Date	22:43	Clapham	London		A UFO was travelling from Clapham to Heathrow. (Message taken 30 May 2007).
No Firm Date	23:00	Woodhall Spa	Lincolnshire		Groups of lights moving through the air. No less than 20, but no more than 40. (Message taken 30 May 2007).
No Firm Date	05:45	Hastings	East Sussex		Saw something very strange in the sky. (Message taken 30 May 2007).
No Firm Date	01:00	Paignton	Devon		A strange object was swirling about in the sky. The object was totally silent. (Message taken 5 June 2007).
No Firm Date		Avonmouth/Bristol	Somerset		A ball of light was moving across a garden of a witnesses home. Was moving slowly. (Message taken 6 June 2007).
No Firm Date			East Sussex		Ten-fifteen thousand lights. Also, about seventy single lights were moving quite quickly across the sky. (Message taken 26 June 2007).
No Firm Date		Mexborough	South Yorkshire		A UFO. (Message taken 3 July 2007).
No Firm Date		Godalming	Surrey		UFOs were seen flying very low. They were in formation. They were going quite slow. (Message taken 26 July 2007).
No Firm Date	22:30	Hitchin	Hertfordshire		Three orange lights were travelling in a line formation. (Message taken 26 July 2007).
No Firm Date		Newcastle upon Tyne	Tyne & Wear		An object was seen in the sky. As bright as a star or a satellite. It was stationary. It then moved South, then West and then South again. (Message taken 6 August 2007).

UFO Reports 2007

No Firm Date		Liverpool	Merseyside		Six to eight glowing lights, moving in a straight line across the sky. Were changing patterns from diamonds to pyramids. (Message taken 13 August 2007).
No Firm Date		Harrogate	North Yorkshire		Eight plus, orange unflickering lights, that appeared from a Northerly direction. They were brightest on the horizon. (Seen sometime in August-daytime).
No Firm Date		Hastings	East Sussex		A UFO was seen. (Message taken off answerphone - 4 September 2007).
No Firm Date		Aston on Trent	Derbyshire		Orange/yellowy lights, that seemed to be coming down from the sky. Fluorescent orange, like street lamps. They were gliding, then faded and disappeared. (Message taken - 10 September 2007).
No Firm Date	20:00	Epsom	Surrey		There were about 25 large, extremely bright orange lights in the sky, with one bigger light behind the rest. (Message taken - 10 September 2007).
No Firm Date	20:55	Shrewsbury	Shropshire		Four orange lights were seen crossing the sky. There was a gap, and then three more lights followed. The lights were moving at quite a fast rate. (Message taken - 24 Sep 07).
No Firm Date		Stretton/Burton-on-Trent	Staffordshire		A UFO going across the sky. (Message taken - 24 September 2007).
No Firm Date		Shirley/Solihull	West Midlands		A UFO was seen. (Message taken off answerphone - 27 September 2007).
No Firm Date		West Dulwich	London		Just said a sighting of a UFO. (Message taken off answerphone - 10 October 2007).
No Firm Date	17:50	Ramsgate Harbour	Kent		Two UFOs were seen flying across the sky. (Message taken off answerphone - 22 October 2007).
No Firm Date		Ramsgate	Kent		Two UFOs were seen in the sky. (Message taken off answerphone - 22 October 2007).
No Firm Date	05:15	Bonnyrigg	Midlothian		Sixty lights were seen in the sky, moving fast. Some were red, some blue. Thirty of the lights then changed to orange. The lights were in a triangle formation. (Message taken off answerphone - 23 October 2007).
No Firm Date	04:00	Choppington	Northumberland		A white pencil line of very white, bright lights. They were as bright as flash bulbs. The lights exploded without noise and cut off the power in the village. (Message taken 14/11/07).
No Firm Date		Rothwell/Kettering	Northamptonshire		The object was definitely unusual and was a possible UFO sighting. (Message taken - 3 December 2007).
No Firm Date		Beckfoot	Cumbria		A definite UFO. It was an elongated, amber object. Then as the object sped up, it changed to white in colour and then became very bright. (Message taken 17 December 2007).
No Firm Date		Thetford	Norfolk		A UFO was seen. (UFO was seen sometime in December 2007). (Message taken 3 January 2008).
No Firm Date		Pontrennau/Cardiff	West Glamorgan		A UFO was seen. (UFO was seen sometime in December 2007). (Message taken 3 January 2008).
No Firm Date	23:00	Pontypridd	Mid-Glamorgan		An object which had all these different lights. When the lights flashed, they looked like they were different shapes. Then both ends of the object started to flash. (Seen in Nov 2007 and message taken 3 Jan 2008).

UFO Reports 2007

No Firm Date		Whitchurch	West Glamorgan		A UFO was seen. (UFO was seen sometime in December 2007). (Message taken 3 January 2008).
No Firm Date		Cardiff	West Glamorgan		The witness saw spaceships and then said that one of them abducted his dog, car and tent when he and some friends were out camping. (Message taken 3 January 2008 and the UFO was seen sometime in 2007).
No Firm Date		Cardiff	West Glamorgan		A UFO was seen. (UFO was seen sometime in December 2007). (Message taken 3 January 2008).
