27-Jun-09	23:20	Stafford	Staffordshire		Four UFOs flying North. They were silent. A plane was flying in the opposite direction.
27-Jun-09	23:59	Pulborough	West Sussex		Up to 20 orange and red glowing lights. They appeared to be in formation and under some form of control. They came from the Eastern horizon. They moved upwards, were then stationary, moved side to side and then disappeared upwards. Seen for 20 minutes.
30-Jun-09	02:41	Hayes	Middlesex		A roundish glowing shape. Flying at a steady speed with no noise. It was a clear night. Filmed it but the camera died.
Jul-09	Not Given	Sheffield	South Yorkshire		Something strange.

UFO Reports 2009

01-Jul-09	18:45	Swansea	West Glamorgan		Seemed like a rather large disc or round in appearance. It was dark in colour but bounced sunlight off its surface. It was floating or bobbing up and down. Other aircraft were at the same altitude and could be heard, the object made no noise.
02-Jul-09	00:30	Queens Park	London		Two UFOs.
29 Jun-2 Jul 09	16:00	Harlow	Essex		Several sightings over the period. A bright orb that travelled in a straight line. As a helicopter approached it the orb slowed down and vanished. Helicopter reacted as if pilot was startled. Saw several other orbs, but the main one was half the size.
02-Jul-09	22:20	Blackwood	Gwent	Ex-test engineer for Hawker Siddley	A bright orange light seen through the tree line. It turned and cleared the tree line. The other side of the object appeared to be a large rectangle shape of fire red/orange. It was silent. The object slowly climbed in the direction of Gloucester.
03-Jul-09	11:15	Cawood	Yorkshire		Two very bright orange lights that appeared to get closer to the car then just hung in the sky. Five minutes later a second bright orange light with red glow seen then disappeared. A third light then hung in the sky and disappeared after five minutes.
03-Jul-09	22:45	Sheffield	South Yorkshire		Six bright orange/red lights in formation. They climbed like balloons and made no sound. A sphere like a balloon appeared at the side and then another.
04-Jul-09	22:30	Bideford on Avon	Warwickshire		A round orange light.
04-Jul-09	23:00	Teignmouth	Devon		A bright yellowy orange object, travelling SE to NW in a straight line. It made no noise. At a 50 degree angle of elevation.
04-Jul-09	23:30	Lichfield	Staffordshire		Eight alien aircraft seen just above helicopter height travelling SW to NE. There was a humming sound. They looked like they were "eyeing the place up".
04-Jul-09	Not Given	West Grinstead	West Sussex	Part-Time Pilot	12-15 objects. Not like normal fixed wing aircraft, more like bright orange lights. Moving West at indeterminate height. Objects entered cloud then turned around.
04-Jul-09	00:15	Brighton	Sussex		A red light followed by 7 others. They came from the West, flew overhead and disappeared. Definitely not aircraft.
04-Jul-09	23:30	Marston Green	Birmingham		Some 30 orange lights heading from Birmingham Airport towards Coleshill.

UFO Reports 2009

05-Jul-09	Not Given	Not Given	Not Given		Three very bright orange lights. Fairly large and moving much faster than an aircrfat. They disappeared. Then two lights appeared from the South. The lights appeared co-ordinated. They were not aircraft.
05-Jul-09	01:35	Stratford upon Avon	Warwickshire		A dormant blue light which changed colour many times over the hour it was witnessed. At first it was moving steadily and then it stopped in mid air. Then started moving from left to right. A white beam could be seen shining down from it. It had red lights.
05-Jul-09	02:00	Peterborough	Cambridgeshire		Two objects, one with a brighter light. The second one was behind it and had a dimmer light. No navigation lights. Not normal. Reluctant to say it was a UFO - perhaps it is a plane.
05-Jul-09	14:32	Bedford	Bedfordshire		A UFO. Witness photographed it.
07-Jul-09	22:25	Pagham	West Sussex		Five orange bright lights. Half a mile distance between each one. Took photos.
10-Jul-09	00:20	Northampton	Northamptonshire		Fast, shiny discs. Lower and faster than a plane, not a plane or helicopter. Sphere, brilliant light.
10-Jul-09	00:30	Glasgow	Strathclyde		Two sightings. First at 12:30 (bright light), second at 01:30 (flashing green).
